Casco Bay High School Lottery Form 2016-17

Thank you for your interest in being a part of the Casco Bay High School Class of 2020. Please provide the following information requested below. Some of this information will be necessary in the event we have more than 97 interested students and need to hold a lottery. The last two questions relate to freshmen course selection and sports - and do not have any bearing on the lottery.

All Casco Bay High School Lottery Forms received prior to the February 10, 2016 deadline will be considered equal. Any remaining spaces will be filled on a first come, first served basis, presuming demographic balance. If a lottery is necessary, it will be held by February 26, 2016, and students will be notified of the results. By March 11, 2016, all Portland Public School 8th graders will need to turn in a separate Commitment Form indicating their high school choice. This form is available on our website in the "Prospective Student" section. Once the school year begins, transferring among the three PPS high schools ceases except for exceptional circumstances. For more details about the lottery process, please see the "Prospective Students" section of our website or contact the school to request a copy of the process.

Casco Bay High School strives to have a student body that reflects Portland. As a part of that, we request your permission for the Food Services Director to share (only) with the CBHS principal information about your lunch status: free, reduced or full-paying. Checking the box below will help us to ensure we continue to be demographically representative, but it will not change whether your children get free or reduced price meals. Your lunch status will never be publicly disclosed. If you do not provide consent below, your student will be considered as "full-paying" for the purposes of any lottery.

Please check AND sign below

I agree to permit my child's Food Services Director to share with the CBHS principal information about my child's lunch status – free, reduced or full-paying – in the event of a lottery.
