Principal's Update October 23, 2017

Dear Families,

On Friday evening we had a great turnout for our Shared Space Cafe sponsored by Portland Empowered. It was a very informative night and we greatly appreciate all of the feedback we received. Thanks to all that attended.

York 6 Students visited the Portland Symphony Orchestra as part of their "Words to Live By" expedition. They spoke with PSO Assistant Principal Contrabass, George Calvert and Orchestra Personnel Manager and Community Program Assistant, Martin Webster. Calvert spoke about willingness to try new things, working to develop resiliency and treating others how they would like to be treated. Webster spoke about listening, really listening to people and believing in yourself. York 6 students will be attending a performance of the PSO later this month.

International Potluck

This year's International Potluck will take place on Thursday, November 2, from 5:30-7:30pm in the King cafetorium. This is a family event. Every family brings a dish to share, making this a truly international potluck. It's a great opportunity to spend an evening with other King families. Please bring a dish to share with others; drinks will be provided. Please sign up to help that night, or to indicate what you might be bringing!
