

SUMMER READING BINGO!

HOW TO PLAY: One book can only count for one space, so no reading a historical science fiction graphic novel that a friend recommended and crossing off four spaces!

You get one point for each line of five you get (vertical, horizontal, or diagonal through the middle). If you fill the entire board, you get a bonus of 10 points.

A sequel	Published in the last two years.	A Graphic Novel	Fantasy	Based on a true story
Non-fiction	A recommendation by a friend	A magazine or news story	Something scary	A book you are re-reading
Something funny	Published the year you were born!	FREE SPACE	Set in a different country	A classic (50+ yrs old)
Realistic-fiction	About Maine or by Maine Author	Listen to an audiobook	Poems or written in verse.	Science-fiction
Has non-human characters	Mystery	A fairytale or mythology	An author you've never read before.	Historical-fiction

Bingo Score: _____ + number of books read score: _____ = _____
